

March Spa Specials

The beauty of the Jurlique Spa at the Mayfair Hotel is that we have the ability to provide truly personal attention to all of our guests. We don't believe in simply providing a spa service, we want to make a connection with our guests that will last a lifetime. Our staff is unique in that we all share the same mentality; taking care of people is what we love to do. The mantra of our spa is simple, **FEEL BETTER.**

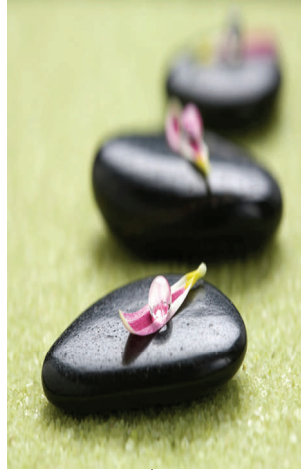

Discover the key elements to wellbeing at our renowned Miami day spa, where artfully designed facilities include:

- Seven private treatment rooms
- Couples suite, for side-by-side therapies
- Relaxation lounge, dedicated to tranquility
- Boutique, featuring our exclusive line of spa products
